

RGS has a Facebook page which includes a private RGS Members' Chat group.

The link to the Facebook page is <https://www.facebook.com/redlandgs>.

The link to the Members' Chat page is <https://www.facebook.com/groups/RGSMembersChatRoom>

The Chat group is open only to financial members of the RGS to liaise, network and interact through the sharing of events, outings, information, and genealogical related reviews, tips and advice. This is a "private" group, meaning only the members of this group can see what is posted and who is a member. A **Join group** link is located on this page. After you select it, the Facebook Co-ordinator will check your RGS Membership status, then contact you.
